Record player

Rugged vinyl-covered wood casing withstands the rigors of everyday classroom use. Features include: 10 watts of power, tone and pause controls. An illuminated track to help find the beginning of songs in low light. A built-in adapter for playing 45's simply lifts up from middle of turn table when needed, then tucks out of the way when done. This classroom classic also has a headphone jack and includes a removable cover (not shown).

CD/FM tape radio

This versatile boombox combines a dual cassette, 1 bit da converter cd player and AM/FM radio in one compact, attractive design. Ideal for small to medium classrooms. Other features include a built-in microphone, headphone jack, lcd display for cd and a 2x counter for tapes.

Tape players/ recorders

3132

Califone's cassette player/recorders are built classroom-tuff. They both feature auto stop, cue and rewind buttons plus a 2x tape counter. They also include built in microphones and inputs for external microphone and headsets. Model #3132 (left) is rated at 1 watt of continuous power, has 4 inputs for headphones making it an ideal player for small groups.

3430

Model #3430 (right) ads more power, 3 watts. A built-in listening center with 7 headphone jacks, tone control and a base that allows the player to safely "stand" to deliver the sound towards the listener instead of the ceiling.

Complete listening center

The complete listening center includes everything needed for a study area. Just connect your audio or video source to the jack box via any headphone out jack and up to 8 children can listen in. Each with their own individual volume control. Includes 1 jackbox, 8 headsets and a sturdy case to house it all.

Also available:

Jack boxes: accomodates 8 headsets each with individual volume controls.

Head sets: same that come with the complete listening center.

Replacement Record player needles.

Tip! Record player needles are 2 sided. When replacing your needle pay close attention to the "bump" on top, this should be facing up when sliding your replacement. If you replace your needle and the sound is not quite right, chances are it's upside down.

All Califone products carry a 1 year parts and labor manufacturer's warranty.

We carry records, tapes and cd's! Raffi, Greeg and Steve, Hap Palmer, Ella Jenkins and more!
Call us, visit our store or log on to www.OurChildrenEnterprises.com for more information.

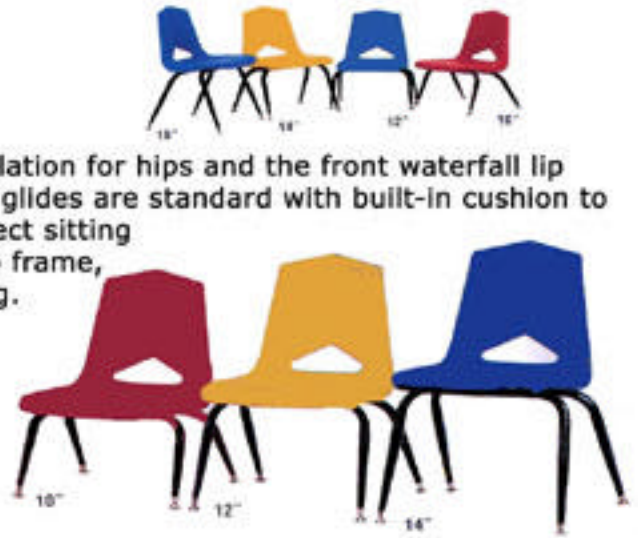

Stackable chairs

Royal Seating Ltd.

Patented V-Back Stack Chair provides ventilation for hips and the front waterfall lip gives comfortable thigh support. Leveling glides are standard with built-in cushion to reduce noise. • Designed to promote correct sitting posture • Concealed rivets attach shell to frame, prevent snagging and tearing of clothing.

Black powder painted metal legs
Stackable chairs are available in
Red, Yellow or Blue and
In 10", 12", 14" and 16" heights.
(Measured from floor to top of seat)

Wooden chairs

Solid oak chairs feature reinforced construction to withstand the rigors of everyday classroom use.

Sizes available:

10", 12", 14" 16" and 18" heights.

Height is the distance from the floor to the top of the seating area.

Child's rocker

Large hand makes for easy rocking in this sturdy comfy rocker.

Seat height is 9.5"

Chair's overall measurements:

13" wide 23" deep and 23.5" tall.

by Jonti-Craft

Aluminum cot

This rugged cot features an aluminum frame reinforced with hardwood dowls on the side rails. Aircraft style machine bolts with locknuts at each leg assure against bolt loosening. Legs are capped with genuine deep thread blue long lasting rubber tips. Available with a polypropylene (Poly) easy to wipe cover or a canvas cover, both blue.

Standard size measure 52" long by 24" wide

Toddler size measures: 40" long by 22" wide

*We also stock: Fitted sheets for cots,
Replacement cot covers (poly or canvas)
Replacement cot tips. See price list for more information*

Nesting cots

*Low profile nesting cots by Grantco.
Standard size cots are 52"Lx22"W and 6" high.
Toddler size cots are 40"Lx22"W and 6" high.*

*Safe rounded corners
Easy to clean polyester mesh
16 gauge steel tubing
fully assembled and UPS-able*

*Also available:
Grantco cot carriers (shown at the bottom)
Fully assembled and usable cots
with locking casters. Available in
standard or toddler size.*

Folding cot

Designed for strength and built from air craft quality square aluminum tubing. Comes with a blue dacron (polyester) replaceable cover. When unfolded, cot measures 52" long 23" wide and 12" high. When nap time is over, cot folds quickly and easily into a compact size of just 3" by 4".

Resting mats:

Durable #70 denier laminated vinyl. Compare ours to similar higher priced mats. Blue on one side and Red on the other. 24" wide x 48" long and 2" thick.

Also available in 1" thickness

Wooden tables

Strong and durable tables come with an attractive golden oak laminated finish.

Easy one screw per leg assembly. Wooden legs are available in the following sizes: 18" 20" 22" and 24" heights to accommodate toddlers thru school age children.

Tables are available in several shapes and sizes. See the price list page of this catalog for detailed shapes and sizes.

[An example of sitting configurations]

Adjustable tables

All of our adjustable tables have a light oak 3/4" woodgrain tops, vinyl T-mold banding and come with quick mount legs. Leg slides into metal bracket on table and secures tightly with only one screw per leg. Legs are adjustable in height from 19"-30" and have an attractive chrome plating.

[You can combine your tables to form other shapes, just remember not to drag them!]

Tip! Table legs should be checked periodically to assure nuts have not loosened. Resist dragging table as this increases the chance of legs loosening. Instead, ask someone to help you pick the table up if it must be moved.
